(2) Establish a method by which a participating political subdivision may seek assistance or aid that resolves many of the common issues facing political subdivisions before, during, and after an incident, disaster, exercise, training activity, planned event, or emergency, any of which requires additional resources, and that ensures, to the extent possible, eligibility for available state and federal disaster assistance or other funding.

(C) Each countywide emergency management agency, regional authority for emergency management, and program for emergency management within a political subdivision, in coordination with all departments, divisions, boards, commissions, agencies, and other

instrumentalities within that political subdivision, shall establish procedures or plans that, to the extent possible, accomplish both of the following:

(G)(1) Nothing in this section shall do any of the following:

(a) Alter the duties and responsibilities of emergency response personnel;

(b) Prohibit a private company from participating in the provision of mutual assistance or aid pursuant to the compact created pursuant to this section if the participating political subdivision approves the participation and the contract with the private company allows for the participation;

(c) Prohibit employees of participating political subdivisions from responding to a request for mutual assistance or aid precipitated by an incident, disaster, exercise, training activity, planned event, or emergency, any of which requires additional resources, when the employees are responding as part of a regional response team that is under the operational control of the incident command structure;

(d) Authorize employees of participating political subdivisions to respond to an incident, disaster, exercise, training activity, planned event, or emergency, any of which requires additional resources, without a request from a participating political subdivision.

(2) This section does not preclude a participating political subdivision from entering into a mutual aid or other agreement with another political subdivision, and does not affect any other agreement to which a participating political subdivision may be a party, or any request for assistance or aid that may be made, under any other section of the Revised Code, including, but not limited to, any mutual aid arrangement under this chapter, any fire protection or emergency medical services contract under section 9.60 of the Revised Code, sheriffs' requests for assistance to preserve the public peace and protect persons and property under section 311.07 of the Revised Code, any agreement for mutual assistance or aid in police protection under section 737.04 of the Revised Code, any agreement for law enforcement services between universities and colleges and political subdivisions under section 3345.041 or 3345.21 of the Revised Code, and mutual aid agreements among emergency planning districts for hazardous substances or chemicals response under sections 3750.02 and 3750.03 of the Revised Code.

(2) Personnel of a responding participating political subdivision shall be considered, while rendering assistance or aid under this section in another participating political subdivision, to be agents of the responding political subdivision for purposes of tort liability and immunity from tort liability under the law of this state.

(3)(a) A responding participating political subdivision and the personnel of that political subdivision, while rendering assistance or aid under this section, or while in route to or from rendering assistance or aid under this section, in another participating political subdivision, shall be deemed to be exercising governmental functions as defined in section 2744.01 of the Revised Code, shall have the defenses to and immunities from civil liability provided in sections 2744.02 and 2744.03 of the Revised Code, and shall be entitled to all applicable limitations on recoverable damages under section 2744.05 of the Revised Code.
