

## Ohio Revised Code

### Section 5537.28 Payment of costs for projects.

Effective: July 1, 2013

Legislation: House Bill 51 - 130th General Assembly

---

(A) In paying the cost of any turnpike project, the Ohio turnpike and infrastructure commission may issue bonds and bond anticipation notes as permitted by this chapter, and may accept moneys from any source to pay the cost of any portion of the turnpike project, including, but not limited to, the federal government, any department or agency of this state, and any political subdivision or other government agency. Each such project shall be constructed, operated, maintained, and repaired with funds specifically acquired for that project or from excess funds available from any other turnpike project.

(B) As used in this section "any turnpike project" does not include infrastructure projects. The costs of infrastructure projects approved under section 5537.18 of the Revised Code shall be funded exclusively out of the infrastructure fund or funds.
