

## Ohio Revised Code

### Section 5540.17 Political subdivision need not consent or approve.

Effective: June 30, 1995

Legislation: House Bill 107 - 121st General Assembly

---

Notwithstanding any other section of the Revised Code to the contrary, the approval, consent, or cooperation of a political subdivision is not required for a transportation improvement district project that involves constructing or improving a street or highway that runs through the territory of the political subdivision, connects to a highway that is part of the interstate system, and has been journalized by the director of transportation prior to the effective date of this section.
