

Ohio Revised Code

Section 5543.18 Erection of signposts.

Effective: September 28, 1973

Legislation: House Bill 200 - 110th General Assembly

When authorized by the board of county commissioners the county engineer shall erect and maintain at intersecting roads on intercounty and state highways, suitable signposts, the design of which shall be approved by the director of transportation, showing the names and numbers of the roads and the direction and distance to nearby municipal corporations.
