

Ohio Revised Code

Section 5545.03 Awarding contracts.

Effective: October 1, 1953

Legislation: House Bill 1 - 100th General Assembly

After adopting plans, specifications, and estimates for a proposed road improvement the commission provided for in section 5545.01 of the Revised Code shall invite bids for construction and award the contracts therefor. Until the construction and improvement is completed and accepted by it, the commission may determine all questions connected therewith and shall be governed by the laws relating to the construction and improvement of public highways, with the same power to appropriate land and road material, establish grades of roads, and other rights, given to boards of county commissioners, relating to the repair and improvement of public highways.
