

## Ohio Revised Code

### Section 5703.82 Tax discovery data system.

Effective: September 29, 2013

Legislation: House Bill 59 - 130th General Assembly

---

Not later than April 1, 2009, the department of taxation shall acquire the necessary hardware, software, and services to establish and implement a tax discovery data system to increase the efficiency of tax collections in the state. The system must be fully integrated and pre-staged for the purposes of assisting in revenue analysis, discovering noncompliant taxpayers, and collecting taxes from those taxpayers. The system shall consolidate tax data from various mainframe systems and operate as a single tax discovery data system. The department shall contract, pursuant to a competitive bidding process, for the necessary hardware, software, and services to implement the tax discovery data system.
