The board of elections shall make the necessary arrangements for the submission of the question or questions to the electors of the school district, and the election shall be conducted, canvassed, and certified in the same manner as regular elections in the school district for the election of county officers. Notice of the election shall be published in a newspaper of general circulation in the subdivision once a week for two consecutive weeks, or as provided in section 7.16 of the Revised Code, prior to the election. If the board of elections operates and maintains a web site, the board of elections shall post notice of the election on its web site for thirty days prior to the election.

(1) In the case of a resolution adopted under section 5705.212 of the Revised Code, the notice shall state separately, for each tax being proposed, the purpose; the proposed increase in rate, expressed in dollars and cents for each one hundred dollars of valuation as well as in mills for each one dollar of valuation; the number of years during which the increase will be in effect; and the first calendar year in which the tax will be due. For an election on the question of a renewal levy, the notice shall state the purpose; the proposed rate, expressed in dollars and cents for each one hundred dollars of valuation as well as in mills for each one dollar of valuation; and the number of years the tax will be in effect. If the resolution is adopted under division (C) of that section, the rate of each tax being proposed shall be expressed as both the total rate and the portion of the total rate to be allocated to the qualifying school district and the portion to be allocated to partnering community schools.

(2) In the case of a resolution adopted under section 5705.213 of the Revised Code, the notice shall state the purpose; the amount proposed to be raised by the tax in the first year it is levied; the estimated average additional tax rate for the first year it is proposed to be levied, expressed in mills for each one dollar of valuation and in dollars and cents for each one hundred dollars of valuation; the number of years during which the increase will be in effect; and the first calendar year in which

the tax will be due. The notice also shall state the amount by which the amount to be raised by the tax may be increased in each year after the first year. The amount of the allowable increase may be expressed in terms of a dollar increase over, or a percentage of, the amount raised by the tax in the immediately preceding year. For an election on the question of a renewal levy, the notice shall state the purpose; the amount proposed to be raised by the tax; the estimated tax rate, expressed in mills for each one dollar of valuation and in dollars and cents for each one hundred dollars of valuation; and the number of years the tax will be in effect.

In any case, the notice also shall state the time and place of the election.
