### Section 5717.02 Appeal from final determination by tax commissioner or county auditor - procedure - hearing.

Effective: October 11, 2013

Legislation: House Bill 138 - 130th General Assembly

---

(A) Except as otherwise provided by law, appeals from final determinations by the tax commissioner of any preliminary, amended, or final tax assessments, reassessments, valuations, determinations, findings, computations, or orders made by the commissioner may be taken to the board of tax appeals by the taxpayer, by the person to whom notice of the tax assessment, reassessment, valuation, determination, finding, computation, or order by the commissioner is required by law to be given, by the director of budget and management if the revenues affected by that decision would accrue primarily to the state treasury, or by the county auditors of the counties to the undivided general tax funds of which the revenues affected by that decision would primarily accrue. Appeals from the redetermination by the director of development services under division (B) of section 5709.64 or division (A) of section 5709.66 of the Revised Code may be taken to the board of tax appeals by the enterprise to which notice of the redetermination is required by law to be given. Appeals from a decision of the tax commissioner or county auditor concerning an application for a property tax exemption may be taken to the board of tax appeals by the applicant or by a school district that filed a statement concerning that application under division (C) of section 5715.27 of the Revised Code. Appeals from a redetermination by the director of job and family services under section 5733.42 of the Revised Code may be taken by the person to which the notice of the redetermination is required by law to be given under that section.

(B) The appeals shall be taken by the filing of a notice of appeal with the board, and with the tax commissioner if the tax commissioner's action is the subject of the appeal, with the county auditor if the county auditor's action is the subject of the appeal, with the director of development services if that director's action is the subject of the appeal, or with the director of job and family services if that director's action is the subject of the appeal. The notice of appeal shall be filed within sixty days after service of the notice of the tax assessment, reassessment, valuation, determination, finding, computation, or order by the commissioner, property tax exemption determination by the commissioner or the county auditor, or redetermination by the director has been given as provided in section 5703.37, 5709.64, 5709.66, or 5733.42 of the Revised Code. The notice of appeal may be

filed in person or by certified mail, express mail, facsimile transmission, electronic transmission or by authorized delivery service. If the notice of appeal is filed by certified mail, express mail, or authorized delivery service as provided in section 5703.056 of the Revised Code, the date of the United States postmark placed on the sender's receipt by the postal service or the date of receipt recorded by the authorized delivery service shall be treated as the date of filing. If notice of appeal is filed by facsimile transmission or electronic transmission, the date and time the notice is received by the board shall be the date and time reflected on a timestamp provided by the board's electronic system, and the appeal shall be considered filed with the board on the date reflected on that timestamp. Any timestamp provided by another computer system or electronic submission device shall not affect the time and date the notice is received by the board. The notice of appeal shall have attached to it and incorporated in it by reference a true copy of the notice sent by the commissioner, county auditor, or director to the taxpayer, enterprise, or other person of the final determination or redetermination complained of, but failure to attach a copy of that notice and to incorporate it by reference in the notice of appeal does not invalidate the appeal.

(C) A notice of appeal shall contain a short and plain statement of the claimed errors in the determination or redetermination of the tax commissioner, county auditor, or director showing that the appellant is entitled to relief and a demand for the relief to which the appellant claims to be entitled. An appellant may amend the notice of appeal once as a matter of course within sixty days after the certification of the transcript. Otherwise, an appellant may amend the notice of appeal only after receiving leave of the board or the written consent of each adverse party. Leave of the board shall be freely given when justice so requires.

(D) Upon the filing of a notice of appeal, the tax commissioner, county auditor, or the director, as appropriate, shall certify to the board a transcript of the record of the proceedings before the commissioner, auditor, or director, together with all evidence considered by the commissioner, auditor, or director in connection with the proceedings. Those appeals or applications may be heard by the board at its office in Columbus or in the county where the appellant resides, or it may cause its examiners to conduct the hearings and to report to it their findings for affirmation or rejection.

(E) The board may order the appeal to be heard upon the record and the evidence certified to it by the commissioner, county auditor, or director, but upon the application of any interested party the board shall order the hearing of additional evidence, and it may make an investigation concerning
