(A)(1) "Adjusted qualifying amount" means either of the following:

(a) The sum of each qualifying investor's distributive share of the income, gain, expense, or loss of a qualifying pass-through entity for the qualifying taxable year of the qualifying pass-through entity multiplied by the apportionment fraction defined in division (B) of this section, subject to section 5733.401 of the Revised Code and divisions (A)(2) to (7) of this section;

(2) The sum shall exclude any amount which, pursuant to the Constitution of the United States, the Constitution of Ohio, or any federal law is not subject to a tax on or measured by net income.

(3) For the purposes of Chapters 5733. and 5747. of the Revised Code, the profit or net income of the qualifying entity shall be increased by disallowing all amounts representing expenses, other than amounts described in division (A)(7) of this section, that the qualifying entity paid to or incurred with respect to direct or indirect transactions with one or more related members, excluding the cost of goods sold calculated in accordance with section 263A of the Internal Revenue Code and United States department of the treasury regulations issued thereunder. Nothing in division (A)(3) of this section shall be construed to limit solely to this chapter the application of section 263A of the Internal Revenue Code and United States department of the treasury regulations issued thereunder.

(4) For the purposes of Chapters 5733. and 5747. of the Revised Code, the profit or net income of the qualifying entity shall be increased by disallowing all recognized losses, other than losses from sales

of inventory the cost of which is calculated in accordance with section 263A of the Internal Revenue Code and United States department of the treasury regulations issued thereunder, with respect to all direct or indirect transactions with one or more related members. For the purposes of Chapters 5733. and 5747. of the Revised Code, losses from the sales of such inventory shall be allowed only to the extent calculated in accordance with section 482 of the Internal Revenue Code and United States department of the treasury regulations issued thereunder. Nothing in division (A)(4) of this section shall be construed to limit solely to this section the application of section 263A and section 482 of the Internal Revenue Code and United States department of the treasury regulations issued thereunder.

(5) The sum shall be increased or decreased by an amount equal to the qualifying investor's or qualifying beneficiary's distributive or proportionate share of the amount that the qualifying entity would be required to add or deduct under divisions (A)(20) and (21) of section 5747.01 of the Revised Code if the qualifying entity were a taxpayer for the purposes of Chapter 5747. of the Revised Code.

(6) The sum shall be computed without regard to section 5733.051 or division (D) of section 5733.052 of the Revised Code.

Division (A)(7) of this section applies only to such payments or such compensation paid to an investor who at any time during the qualifying entity's taxable year holds at least a twenty per cent direct or indirect interest in the profits or capital of the qualifying entity. For the purposes of this division, guaranteed payments and compensation shall be considered to be paid to an investor by a qualifying entity if the qualifying entity in which the investor holds at least a twenty per cent direct or indirect interest is a client employer of a professional employer organization, as those terms are defined in section 4125.01 of the Revised Code, and the guaranteed payments or compensation are paid to the investor by that professional employer organization.

(B) "Apportionment fraction" means:

(1) With respect to a qualifying pass-through entity other than a financial institution, the fraction calculated pursuant to division (B)(2) of section 5733.05 of the Revised Code as if the qualifying pass-through entity were a corporation subject to the tax imposed by section 5733.06 of the Revised Code;
