### Section 5739.09 Administration and allocation of lodging tax.

Effective: March 23, 2018

Legislation: Senate Bill 8 - 132nd General Assembly

---

(A)(1) A board of county commissioners may, by resolution adopted by a majority of the members of the board, levy an excise tax not to exceed three per cent on transactions by which lodging by a hotel is or is to be furnished to transient guests. The board shall establish all regulations necessary to provide for the administration and allocation of the tax. The regulations may prescribe the time for payment of the tax, and may provide for the imposition of a penalty or interest, or both, for late payments, provided that the penalty does not exceed ten per cent of the amount of tax due, and the rate at which interest accrues does not exceed the rate per annum prescribed pursuant to section 5703.47 of the Revised Code. Except as provided in divisions (A)(2), (3), (4), (5), (6), (7), (8), (9), (10), (11), and (12) of this section, the regulations shall provide, after deducting the real and actual costs of administering the tax, for the return to each municipal corporation or township that does not levy an excise tax on the transactions, a uniform percentage of the tax collected in the municipal corporation or in the unincorporated portion of the township from each transaction, not to exceed thirty-three and one-third per cent. The remainder of the revenue arising from the tax shall be deposited in a separate fund and shall be spent solely to make contributions to the convention and visitors' bureau operating within the county, including a pledge and contribution of any portion of the remainder pursuant to an agreement authorized by section 307.678 or 307.695 of the Revised Code, provided that if the board of county commissioners of an eligible county as defined in section 307.678 or 307.695 of the Revised Code adopts a resolution amending a resolution levying a tax under this division to provide that revenue from the tax shall be used by the board as described in either division (D) of section 307.678 or division (H) of section 307.695 of the Revised Code, the remainder of the revenue shall be used as described in the resolution making that amendment. Except as provided in division (A)(2), (3), (4), (5), (6), (7), (8), (9), (10), or (11) or (H) of this section, on and after May 10, 1994, a board of county commissioners may not levy an excise tax pursuant to this division in any municipal corporation or township located wholly or partly within the county that has in effect an ordinance or resolution levying an excise tax pursuant to division (B) of this section. The board of a county that has levied a tax under division (C) of this section may, by resolution adopted within ninety days after July 15, 1985, by a majority of the members of the board, amend the resolution levying a tax under this division to provide for a portion of that tax to be pledged and

contributed in accordance with an agreement entered into under section 307.695 of the Revised Code. A tax, any revenue from which is pledged pursuant to such an agreement, shall remain in effect at the rate at which it is imposed for the duration of the period for which the revenue from the tax has been so pledged.

The board of county commissioners of an eligible county as defined in section 307.695 of the Revised Code may, by resolution adopted by a majority of the members of the board, amend a resolution levying a tax under this division to provide that the revenue from the tax shall be used by the board as described in division (H) of section 307.695 of the Revised Code, in which case the tax shall remain in effect at the rate at which it was imposed for the duration of any agreement entered into by the board under section 307.695 of the Revised Code, the duration during which any securities issued by the board under that section are outstanding, or the duration of the period during which the board owns a project as defined in section 307.695 of the Revised Code, whichever duration is longest.

The board of county commissioners of an eligible county as defined in section 307.678 of the Revised Code may, by resolution, amend a resolution levying a tax under this division to provide that revenue from the tax, not to exceed five hundred thousand dollars each year, may be used as described in division (E) of section 307.678 of the Revised Code.

Notwithstanding division (A)(1) of this section, the board of county commissioners of a county described in division (A)(8)(a) of this section may, by resolution, amend a resolution levying a tax under this division to provide that all or a portion of the revenue from the tax, including any revenue otherwise required to be returned to townships or municipal corporations under this division, may be used or pledged for the payment of debt service on securities issued to pay the costs of constructing, operating, and maintaining sports facilities described in division (A)(8)(b) of this section.

The board of county commissioners of a county described in division (A)(9) of this section may, by resolution, amend a resolution levying a tax under this division to provide that all or a portion of the revenue from the tax may be used for the purposes described in section 307.679 of the Revised Code.

(2) A board of county commissioners that levies an excise tax under division (A)(1) of this section

on June 30, 1997, at a rate of three per cent, and that has pledged revenue from the tax to an agreement entered into under section 307.695 of the Revised Code or, in the case of the board of county commissioners of an eligible county as defined in section 307.695 of the Revised Code, has amended a resolution levying a tax under division (C) of this section to provide that proceeds from the tax shall be used by the board as described in division (H) of section 307.695 of the Revised Code, may, at any time by a resolution adopted by a majority of the members of the board, amend the resolution levying a tax under division (A)(1) of this section to provide for an increase in the rate of that tax up to seven per cent on each transaction; to provide that revenue from the increase in the rate shall be used as described in division (H) of section 307.695 of the Revised Code or be spent solely to make contributions to the convention and visitors' bureau operating within the county to be used specifically for promotion, advertising, and marketing of the region in which the county is located; and to provide that the rate in excess of the three per cent levied under division (A)(1) of this section shall remain in effect at the rate at which it is imposed for the duration of the period during which any agreement is in effect that was entered into under section 307.695 of the Revised Code by the board of county commissioners levying a tax under division (A)(1) of this section, the duration of the period during which any securities issued by the board under division (I) of section 307.695 of the Revised Code are outstanding, or the duration of the period during which the board owns a project as defined in section 307.695 of the Revised Code, whichever duration is longest. The amendment also shall provide that no portion of that revenue need be returned to townships or municipal corporations as would otherwise be required under division (A)(1) of this section.

(3) A board of county commissioners that levies a tax under division (A)(1) of this section on March 18, 1999, at a rate of three per cent may, by resolution adopted not later than forty-five days after March 18, 1999, amend the resolution levying the tax to provide for all of the following:

(a) That the rate of the tax shall be increased by not more than an additional four per cent on each transaction;

(b) That all of the revenue from the increase in the rate shall be pledged and contributed to a convention facilities authority established by the board of county commissioners under Chapter 351. of the Revised Code on or before November 15, 1998, and used to pay costs of constructing, maintaining, operating, and promoting a facility in the county, including paying bonds, or notes issued in anticipation of bonds, as provided by that chapter;

(c) That no portion of the revenue arising from the increase in rate need be returned to municipal corporations or townships as otherwise required under division (A)(1) of this section;

(d) That the increase in rate shall not be subject to diminution by initiative or referendum or by law while any bonds, or notes in anticipation of bonds, issued by the authority under Chapter 351. of the Revised Code to which the revenue is pledged, remain outstanding in accordance with their terms, unless provision is made by law or by the board of county commissioners for an adequate substitute therefor that is satisfactory to the trustee if a trust agreement secures the bonds.

Division (A)(3) of this section does not apply to the board of county commissioners of any county in which a convention center or facility exists or is being constructed on November 15, 1998, or of any county in which a convention facilities authority levies a tax pursuant to section 351.021 of the Revised Code on that date.

As used in division (A)(3) of this section, "cost" and "facility" have the same meanings as in section 351.01 of the Revised Code, and "convention center" has the same meaning as in section 307.695 of the Revised Code.

(4)(a) A board of county commissioners that levies a tax under division (A)(1) of this section on June 30, 2002, at a rate of three per cent may, by resolution adopted not later than September 30, 2002, amend the resolution levying the tax to provide for all of the following:

(i) That the rate of the tax shall be increased by not more than an additional three and one-half per cent on each transaction;

(ii) That all of the revenue from the increase in rate shall be pledged and contributed to a convention facilities authority established by the board of county commissioners under Chapter 351. of the Revised Code on or before May 15, 2002, and be used to pay costs of constructing, expanding, maintaining, operating, or promoting a convention center in the county, including paying bonds, or notes issued in anticipation of bonds, as provided by that chapter;

(iii) That no portion of the revenue arising from the increase in rate need be returned to municipal

corporations or townships as otherwise required under division (A)(1) of this section;

(iv) That the increase in rate shall not be subject to diminution by initiative or referendum or by law while any bonds, or notes in anticipation of bonds, issued by the authority under Chapter 351. of the Revised Code to which the revenue is pledged, remain outstanding in accordance with their terms, unless provision is made by law or by the board of county commissioners for an adequate substitute therefor that is satisfactory to the trustee if a trust agreement secures the bonds.

(b) Any board of county commissioners that, pursuant to division (A)(4)(a) of this section, has amended a resolution levying the tax authorized by division (A)(1) of this section may further amend the resolution to provide that the revenue referred to in division (A)(4)(a)(ii) of this section shall be pledged and contributed both to a convention facilities authority to pay the costs of constructing, expanding, maintaining, or operating one or more convention centers in the county, including paying bonds, or notes issued in anticipation of bonds, as provided in Chapter 351. of the Revised Code, and to a convention and visitors' bureau to pay the costs of promoting one or more convention centers in the county.

As used in division (A)(4) of this section, "cost" has the same meaning as in section 351.01 of the Revised Code, and "convention center" has the same meaning as in section 307.695 of the Revised Code.

(5)(a) As used in division (A)(5) of this section:

(i) "Port authority" means a port authority created under Chapter 4582. of the Revised Code.

(ii) "Port authority military-use facility" means port authority facilities on which or adjacent to which is located an installation of the armed forces of the United States, a reserve component thereof, or the national guard and at least part of which is made available for use, for consideration, by the armed forces of the United States, a reserve component thereof, or the national guard.

(b) For the purpose of contributing revenue to pay operating expenses of a port authority that operates a port authority military-use facility, the board of county commissioners of a county that created, participated in the creation of, or has joined such a port authority may do one or both of the

following:

- (i) Amend a resolution previously adopted under division (A)(1) of this section to designate some or all of the revenue from the tax levied under the resolution to be used for that purpose, notwithstanding that division;
  
- (ii) Amend a resolution previously adopted under division (A)(1) of this section to increase the rate of the tax by not more than an additional two per cent and use the revenue from the increase exclusively for that purpose.
  
- (c) If a board of county commissioners amends a resolution to increase the rate of a tax as authorized in division (A)(5)(b)(ii) of this section, the board also may amend the resolution to specify that the increase in rate of the tax does not apply to "hotels," as otherwise defined in section 5739.01 of the Revised Code, having fewer rooms used for the accommodation of guests than a number of rooms specified by the board.
  
- (6) A board of county commissioners of a county organized under a county charter adopted pursuant to Article X, Section 3, Ohio Constitution, and that levies an excise tax under division (A)(1) of this section at a rate of three per cent and levies an additional excise tax under division (E) of this section at a rate of one and one-half per cent may, by resolution adopted not later than January 1, 2008, by a majority of the members of the board, amend the resolution levying a tax under division (A)(1) of this section to provide for an increase in the rate of that tax by not more than an additional one per cent on transactions by which lodging by a hotel is or is to be furnished to transient guests. Notwithstanding divisions (A)(1) and (E) of this section, the resolution shall provide that all of the revenue from the increase in rate, after deducting the real and actual costs of administering the tax, shall be used to pay the costs of improving, expanding, equipping, financing, or operating a convention center by a convention and visitors' bureau in the county. The increase in rate shall remain in effect for the period specified in the resolution, not to exceed ten years, and may be extended for an additional period of time not to exceed ten years thereafter by a resolution adopted by a majority of the members of the board. The increase in rate shall be subject to the regulations adopted under division (A)(1) of this section, except that the resolution may provide that no portion of the revenue from the increase in the rate shall be returned to townships or municipal corporations as would otherwise be required under that division.

(7) Division (A)(7) of this section applies only to a county with a population greater than sixty-five thousand and less than seventy thousand according to the most recent federal decennial census and in which, on December 31, 2006, an excise tax is levied under division (A)(1) of this section at a rate not less than and not greater than three per cent, and in which the most recent increase in the rate of that tax was enacted or took effect in November 1984.

The board of county commissioners of a county to which this division applies, by resolution adopted by a majority of the members of the board, may increase the rate of the tax by not more than one per cent on transactions by which lodging by a hotel is or is to be furnished to transient guests. The increase in rate shall be for the purpose of paying expenses deemed necessary by the convention and visitors' bureau operating in the county to promote travel and tourism. The increase in rate shall remain in effect for the period specified in the resolution, not to exceed twenty years, provided that the increase in rate may not continue beyond the time when the purpose for which the increase is levied ceases to exist. If revenue from the increase in rate is pledged to the payment of debt charges on securities, the increase in rate is not subject to diminution by initiative or referendum or by law for so long as the securities are outstanding, unless provision is made by law or by the board of county commissioners for an adequate substitute for that revenue that is satisfactory to the trustee if a trust agreement secures payment of the debt charges. The increase in rate shall be subject to the regulations adopted under division (A)(1) of this section, except that the resolution may provide that no portion of the revenue from the increase in the rate shall be returned to townships or municipal corporations as would otherwise be required under division (A)(1) of this section. A resolution adopted under division (A)(7) of this section is subject to referendum under sections 305.31 to 305.99 of the Revised Code.

(8)(a) Division (A)(8) of this section applies only to a county satisfying all of the following:

- (i) The population of the county is greater than one hundred seventy-five thousand and less than two hundred twenty-five thousand according to the most recent federal decennial census.
- (ii) An amusement park with an average yearly attendance in excess of two million guests is located in the county.

(iii) On December 31, 2014, an excise tax was levied in the county under division (A)(1) of this section at a rate of three per cent.

(b) The board of county commissioners of a county to which this division applies, by resolution adopted by a majority of the members of the board, may increase the rate of the tax by not more than one per cent on transactions by which lodging by a hotel is or is to be furnished to transient guests. The increase in rate shall be used to pay the costs of constructing and maintaining facilities owned by the county or by a port authority created under Chapter 4582. of the Revised Code, and designed to host sporting events and expenses deemed necessary by the convention and visitors' bureau operating in the county to promote travel and tourism with reference to the sports facilities, and to pay or pledge to the payment of debt service on securities issued to pay the costs of constructing, operating, and maintaining the sports facilities. The increase in rate shall remain in effect for the period specified in the resolution. If revenue from the increase in rate is pledged to the payment of debt charges on securities, the increase in rate is not subject to diminution by initiative or referendum or by law for so long as the securities are outstanding, unless provision is made by law or by the board of county commissioners for an adequate substitute for that revenue that is satisfactory to the trustee if a trust agreement secures payment of the debt charges. The increase in rate shall be subject to the regulations adopted under division (A)(1) of this section, except that the resolution may provide that no portion of the revenue from the increase in the rate shall be returned to townships or municipal corporations as would otherwise be required under division (A)(1) of this section.

(9) The board of county commissioners of a county with a population greater than seventy-five thousand and less than seventy-eight thousand, by resolution adopted by a majority of the members of the board not later than October 15, 2015, may increase the rate of the tax by not more than one per cent on transactions by which lodging by a hotel is or is to be furnished to transient guests. The increase in rate shall be for the purposes described in section 307.679 of the Revised Code or for the promotion of travel and tourism in the county, including travel and tourism to sports facilities. The increase in rate shall remain in effect for the period specified in the resolution and as necessary to fulfill the county's obligations under a cooperative agreement entered into under section 307.679 of the Revised Code. If the resolution is adopted by the board before September 29, 2015, but after that enactment becomes law, the increase in rate shall become effective beginning on September 29, 2015. If revenue from the increase in rate is pledged to the payment of debt charges on securities, or to substitute for other revenues pledged to the payment of such debt, the increase in rate is not

subject to diminution by initiative or referendum or by law for so long as the securities are outstanding, unless provision is made by law or by the board of county commissioners for an adequate substitute for that revenue that is satisfactory to the trustee if a trust agreement secures payment of the debt charges. The increase in rate shall be subject to the regulations adopted under division (A)(1) of this section, except that no portion of the revenue from the increase in the rate shall be returned to townships or municipal corporations as would otherwise be required under division (A)(1) of this section.

(10) Division (A)(10) of this section applies only to counties satisfying either of the following:

(a) A county that, on July 1, 2015, does not levy an excise tax under division (A)(1) of this section and that has a population of at least thirty-nine thousand but not more than forty thousand according to the 2010 federal decennial census;

(b) A county that, on July 1, 2015, levies an excise tax under division (A)(1) of this section at a rate of three per cent and that has a population of at least seventy-one thousand but not more than seventy-five thousand according to 2010 federal decennial census.

The board of county commissioners of a county to which division (A)(10) of this section applies, by resolution adopted by a majority of the members of the board, may levy an excise tax at a rate not to exceed three per cent on transactions by which lodging by a hotel is or is to be furnished to transient guests for the purpose of acquiring, constructing, equipping, or repairing permanent improvements, as defined in section 133.01 of the Revised Code. If the board does not levy a tax under division (A)(1) of this section, the board shall establish regulations necessary to provide for the administration of the tax, which may prescribe the time for payment of the tax and the imposition of penalty or interest subject to the limitations on penalty and interest provided in division (A)(1) of this section. No portion of the revenue shall be returned to townships or municipal corporations in the county unless otherwise provided by resolution of the board. The tax shall apply throughout the territory of the county, including in any township or municipal corporation levying an excise tax under division (B) of this section or division (A) of section 5739.08 of the Revised Code. The levy of the tax is subject to referendum as provided under section 305.31 of the Revised Code.

The tax shall remain in effect for the period specified in the resolution. If revenue from the increase

in rate is pledged to the payment of debt charges on securities, the increase in rate is not subject to diminution by initiative or referendum or by law for so long as the securities are outstanding unless provision is made by law or by the board for an adequate substitute for that revenue that is satisfactory to the trustee if a trust agreement secures payment of the debt charges.

(11) The board of county commissioners of an eligible county, as defined in section 307.678 of the Revised Code, that levies an excise tax under division (A)(1) of this section on July 1, 2017, at a rate of three per cent may, by resolution adopted by a majority of the members of the board, amend the resolution levying the tax to increase the rate of the tax by not more than an additional three per cent on each transaction. No portion of the revenue shall be returned to townships or municipal corporations in the county unless otherwise provided by resolution of the board. Otherwise, the revenue from the increase in the rate shall be distributed and used in the same manner described under division (A)(1) of this section or distributed or used to provide credit enhancement facilities as authorized under section 307.678 of the Revised Code. The increase in rate shall remain in effect for the period specified in the resolution. If revenue from the increase in rate is pledged to the payment of debt charges on securities, the increase in rate is not subject to diminution by initiative or referendum or by law for so long as the securities are outstanding unless provision is made by law or by the board for an adequate substitute for that revenue that is satisfactory to the trustee if a trust agreement secures payment of the debt charges.

(12)(a) As used in this division:

(i) "Eligible county" means a county that has a population greater than one hundred ninety thousand and less than two hundred thousand according to the 2010 federal decennial census and that levies an excise tax under division (A)(1) of this section at a rate of three per cent.

(ii) "Professional sports facility" means a sports facility that is intended to house major or minor league professional athletic teams, including a stadium, together with all parking facilities, walkways, and other auxiliary facilities, real and personal property, property rights, easements, and interests that may be appropriate for, or used in connection with, the operation of the facility.

(b) Subject to division (A)(12)(c) of this section, the board of county commissioners of an eligible county, by resolution adopted by a majority of the members of the board, may increase the rate of the

tax by not more than one per cent on transactions by which lodging by a hotel is or is to be furnished to transient guests. Revenue from the increase in rate shall be used for the purposes of paying the costs of constructing, improving, and maintaining a professional sports facility in the county and paying expenses considered necessary by the convention and visitors' bureau operating in the county to promote travel and tourism with respect to that professional sports facility. The tax shall take effect only after the convention and visitors' bureau enters into a contract for the construction, improvement, or maintenance of a professional sports facility that is or will be located on property acquired, in whole or in part, with revenue from the increased rate, and thereafter shall remain in effect for the period specified in the resolution. If revenue from the increase in rate is pledged to the payment of debt charges on securities, the increase in rate is not subject to diminution by initiative or referendum or by law for so long as the securities are outstanding, unless a provision is made by law or by the board of county commissioners for an adequate substitute for that revenue that is satisfactory to the trustee if a trust agreement secures payment of the debt charges. The increase in rate shall be subject to the regulations adopted under division (A)(1) of this section, except that the resolution may provide that no portion of the revenue from the increase in the rate shall be returned to townships or municipal corporations as would otherwise be required under division (A)(1) of this section.

(c) If, on January 1, 2019, the convention and visitors' bureau has not entered into a contract for the construction, improvement, or maintenance of a professional sports facility that is or will be located on property acquired, in whole or in part, with revenue from the increased rate, the authority to levy the tax under division (A)(12)(b) of this section is hereby repealed on that date.

(B)(1) The legislative authority of a municipal corporation or the board of trustees of a township that is not wholly or partly located in a county that has in effect a resolution levying an excise tax pursuant to division (A)(1) of this section may, by ordinance or resolution, levy an excise tax not to exceed three per cent on transactions by which lodging by a hotel is or is to be furnished to transient guests. The legislative authority of the municipal corporation or the board of trustees of the township shall deposit at least fifty per cent of the revenue from the tax levied pursuant to this division into a separate fund, which shall be spent solely to make contributions to convention and visitors' bureaus operating within the county in which the municipal corporation or township is wholly or partly located, and the balance of that revenue shall be deposited in the general fund. The municipal corporation or township shall establish all regulations necessary to provide for the administration and

allocation of the tax. The regulations may prescribe the time for payment of the tax, and may provide for the imposition of a penalty or interest, or both, for late payments, provided that the penalty does not exceed ten per cent of the amount of tax due, and the rate at which interest accrues does not exceed the rate per annum prescribed pursuant to section 5703.47 of the Revised Code. The levy of a tax under this division is in addition to any tax imposed on the same transaction by a municipal corporation or a township as authorized by division (A) of section 5739.08 of the Revised Code.

(2)(a) The legislative authority of the most populous municipal corporation located wholly or partly in a county in which the board of county commissioners has levied a tax under division (A)(4) of this section may amend, on or before September 30, 2002, that municipal corporation's ordinance or resolution that levies an excise tax on transactions by which lodging by a hotel is or is to be furnished to transient guests, to provide for all of the following:

(i) That the rate of the tax shall be increased by not more than an additional one per cent on each transaction;

(ii) That all of the revenue from the increase in rate shall be pledged and contributed to a convention facilities authority established by the board of county commissioners under Chapter 351. of the Revised Code on or before May 15, 2002, and be used to pay costs of constructing, expanding, maintaining, operating, or promoting a convention center in the county, including paying bonds, or notes issued in anticipation of bonds, as provided by that chapter;

(iii) That the increase in rate shall not be subject to diminution by initiative or referendum or by law while any bonds, or notes in anticipation of bonds, issued by the authority under Chapter 351. of the Revised Code to which the revenue is pledged, remain outstanding in accordance with their terms, unless provision is made by law, by the board of county commissioners, or by the legislative authority, for an adequate substitute therefor that is satisfactory to the trustee if a trust agreement secures the bonds.

(b) The legislative authority of a municipal corporation that, pursuant to division (B)(2)(a) of this section, has amended its ordinance or resolution to increase the rate of the tax authorized by division (B)(1) of this section may further amend the ordinance or resolution to provide that the revenue referred to in division (B)(2)(a)(ii) of this section shall be pledged and contributed both to a

convention facilities authority to pay the costs of constructing, expanding, maintaining, or operating one or more convention centers in the county, including paying bonds, or notes issued in anticipation of bonds, as provided in Chapter 351. of the Revised Code, and to a convention and visitors' bureau to pay the costs of promoting one or more convention centers in the county.

As used in division (B)(2) of this section, "cost" has the same meaning as in section 351.01 of the Revised Code, and "convention center" has the same meaning as in section 307.695 of the Revised Code.

(3) The legislative authority of an eligible municipal corporation may amend, on or before December 31, 2017, that municipal corporation's ordinance or resolution that levies an excise tax on transactions by which lodging by a hotel is or is to be furnished to transient guests, to provide for the following:

(a) That the rate of the tax shall be increased by not more than an additional three per cent on each transaction;

(b) That all of the revenue from the increase in rate shall be used by the municipal corporation for economic development and tourism-related purposes.

As used in division (B)(3) of this section, "eligible municipal corporation" means a municipal corporation that, on the effective date of the amendment of this section by H.B. 49 of the 132nd general assembly, September 29, 2017, levied a tax under division (B)(1) of this section at a rate of three per cent and that is located in a county that, on that date, levied a tax under division (A) of this section at a rate of three per cent and that has, according to the most recent federal decennial census, a population exceeding three hundred thousand but not greater than three hundred fifty thousand.

(C) For the purposes described in section 307.695 of the Revised Code and to cover the costs of administering the tax, a board of county commissioners of a county where a tax imposed under division (A)(1) of this section is in effect may, by resolution adopted within ninety days after July 15, 1985, by a majority of the members of the board, levy an additional excise tax not to exceed three per cent on transactions by which lodging by a hotel is or is to be furnished to transient guests. The tax authorized by this division shall be in addition to any tax that is levied pursuant to division

(A) of this section, but it shall not apply to transactions subject to a tax levied by a municipal corporation or township pursuant to the authorization granted by division (A) of section 5739.08 of the Revised Code. The board shall establish all regulations necessary to provide for the administration and allocation of the tax. The regulations may prescribe the time for payment of the tax, and may provide for the imposition of a penalty or interest, or both, for late payments, provided that the penalty does not exceed ten per cent of the amount of tax due, and the rate at which interest accrues does not exceed the rate per annum prescribed pursuant to section 5703.47 of the Revised Code. All revenues arising from the tax shall be expended in accordance with section 307.695 of the Revised Code. The board of county commissioners of an eligible county as defined in section 307.695 of the Revised Code may, by resolution adopted by a majority of the members of the board, amend the resolution levying a tax under this division to provide that the revenue from the tax shall be used by the board as described in division (H) of section 307.695 of the Revised Code. A tax imposed under this division shall remain in effect at the rate at which it is imposed for the duration of the period during which any agreement entered into by the board under section 307.695 of the Revised Code is in effect, the duration of the period during which any securities issued by the board under division (I) of section 307.695 of the Revised Code are outstanding, or the duration of the period during which the board owns a project as defined in section 307.695 of the Revised Code, whichever duration is longest.

(D) For the purpose of providing contributions under division (B)(1) of section 307.671 of the Revised Code to enable the acquisition, construction, and equipping of a port authority educational and cultural facility in the county and, to the extent provided for in the cooperative agreement authorized by that section, for the purpose of paying debt service charges on bonds, or notes in anticipation of bonds, described in division (B)(1)(b) of that section, a board of county commissioners, by resolution adopted within ninety days after December 22, 1992, by a majority of the members of the board, may levy an additional excise tax not to exceed one and one-half per cent on transactions by which lodging by a hotel is or is to be furnished to transient guests. The board of county commissioners shall establish all regulations necessary to provide for the administration and allocation of the tax that are not inconsistent with this section or section 307.671 of the Revised Code. The regulations may prescribe the time for payment of the tax, and may provide for the

imposition of a penalty or interest, or both, for late payments, provided that the penalty does not exceed ten per cent of the amount of tax due, and the rate at which interest accrues does not exceed the rate per annum prescribed pursuant to section 5703.47 of the Revised Code. The excise tax authorized by this division shall be in addition to any tax that is levied pursuant to divisions (A), (B), (C), and (D) of this section, to any excise tax levied pursuant to section 5739.08 of the Revised Code, and to any excise tax levied pursuant to section 351.021 of the Revised Code. The legislative authority of the county shall establish all regulations necessary to provide for the administration and allocation of the tax. The regulations may prescribe the time for payment of the tax, and may provide for the imposition of a penalty or interest, or both, for late payments, provided that the penalty does not exceed ten per cent of the amount of tax due, and the rate at which interest accrues does not exceed the rate per annum prescribed pursuant to section 5703.47 of the Revised Code. The tax shall remain in effect at the rate at which it is imposed for the period of time determined by the legislative authority of the county. That period of time shall not exceed fifteen years, except that the legislative authority of a county with a population of less than two hundred fifty thousand according to the most recent federal decennial census, by resolution adopted by a majority of its members before the original tax expires, may extend the duration of the tax for an additional period of time. The additional period of time by which a legislative authority extends a tax levied under this division shall not exceed fifteen years.

(F) The legislative authority of a county that has levied a tax under division (E) of this section may, by resolution adopted within one hundred eighty days after January 4, 2001, by a majority of the members of the legislative authority, amend the resolution levying a tax under that division to provide for the use of the proceeds of that tax, to the extent that it is no longer needed for its original purpose as determined by the parties to a cooperative agreement amendment pursuant to division (D) of section 307.672 of the Revised Code, to pay costs of acquiring, constructing, renovating, rehabilitating, equipping, and improving a port authority educational and cultural performing arts facility, including debt service charges on bonds provided for in division (B) of section 307.674 of the Revised Code, and to pay all obligations under any guaranty agreements, reimbursement agreements, or other credit enhancement agreements described in division (C) of section 307.674 of the Revised Code. For the purposes of division (G)(2) of this section, two or more structures are under the same ownership if they are owned by the same person, or if they are owned by two or more persons the majority of the ownership interests of which are owned by the same person.

The resolution or ordinance may apply to a tax imposed pursuant to this section prior to the adoption of the resolution or ordinance if the resolution or ordinance so states, but the tax shall not apply to transactions by which lodging by such an establishment is provided to transient guests prior to the adoption of the resolution or ordinance.
