(B) For one or more of the purposes for which a tax may be levied under section 3381.16 of the Revised Code and for the purposes of paying the expenses of administering the tax and the expenses charged by a board of elections to hold an election on a question submitted under this section, the board of county commissioners of a county that has within its territorial boundaries a qualifying regional arts and cultural district may, on or after the first day of the first month after the effective date of this amendment, levy a tax on the sale of vapor products sold for resale at retail in the county composing the district at the rate of up to nine per cent of the wholesale price of the vapor product. Only one sale of the same article shall be used in computing the amount of tax due. The tax may be levied for any number of years not exceeding ten years.

The tax shall be levied pursuant to a resolution of the board of county commissioners approved by a majority of the electors in the county voting on the question of levying the tax. The resolution shall specify the rate of the tax, the number of years the tax will be levied, and the purposes for which the tax is levied. The election may be held on the date of a general, primary, or special election held not sooner than ninety days after the date the board of county commissioners certifies its resolution to the board of elections. If approved by the electors, the tax shall take effect on the first day of the month specified in the resolution but not sooner than the first day of the month that is at least sixty days after the certification of the election results by the board of elections.
