(2) Not later than the twentieth day of February, May, August, and November of each year, the commissioner shall provide for payment from the commercial activities tax receipts fund to the commercial activity tax motor fuel receipts fund an amount that bears the same ratio to the balance in the commercial activities tax receipts fund that (a) the taxable gross receipts attributed to motor fuel used for propelling vehicles on public highways as indicated by returns filed by the tenth day of that month for a liability that is due and payable on or after July 1, 2013, for a tax period ending before July 1, 2014, bears to (b) all taxable gross receipts as indicated by those returns for such liabilities.

(C) Not later than September 15, 2005, the tax commissioner shall determine for each school district, joint vocational school district, and local taxing unit its machinery and equipment, inventory property, furniture and fixtures property, and telephone property tax value losses, which are the applicable amounts described in divisions (C)(1), (2), (3), and (4) of this section, except as provided in division (C)(5) of this section:

(1) Machinery and equipment property tax value loss is the taxable value of machinery and equipment property as reported by taxpayers for tax year 2004 multiplied by:

- (a) For tax year 2006, thirty-three and eight-tenths per cent;
- (b) For tax year 2007, sixty-one and three-tenths per cent;
- (c) For tax year 2008, eighty-three per cent;
- (d) For tax year 2009 and thereafter, one hundred per cent.

(2) Inventory property tax value loss is the taxable value of inventory property as reported by taxpayers for tax year 2004 multiplied by:

(a) For tax year 2006, a fraction, the numerator of which is five and three-fourths and the denominator of which is twenty-three;

(b) For tax year 2007, a fraction, the numerator of which is nine and one-half and the denominator of which is twenty-three;

(c) For tax year 2008, a fraction, the numerator of which is thirteen and one-fourth and the denominator of which is twenty-three;

(d) For tax year 2009 and thereafter a fraction, the numerator of which is seventeen and the denominator of which is twenty-three.

(3) Furniture and fixtures property tax value loss is the taxable value of furniture and fixture property as reported by taxpayers for tax year 2004 multiplied by:

(a) For tax year 2006, twenty-five per cent;

(b) For tax year 2007, fifty per cent;

(c) For tax year 2008, seventy-five per cent;

(d) For tax year 2009 and thereafter, one hundred per cent.

The taxable value of property reported by taxpayers used in divisions (C)(1), (2), and (3) of this section shall be such values as determined to be final by the tax commissioner as of August 31, 2005. Such determinations shall be final except for any correction of a clerical error that was made prior to August 31, 2005, by the tax commissioner.

(4) Telephone property tax value loss is the taxable value of telephone property as taxpayers would have reported that property for tax year 2004 if the assessment rate for all telephone property for that year were twenty-five per cent, multiplied by:

(a) For tax year 2006, zero per cent;

(b) For tax year 2007, zero per cent;

(c) For tax year 2008, zero per cent;

(d) For tax year 2009, sixty per cent;

(e) For tax year 2010, eighty per cent;

(5) Division (C)(5) of this section applies to any school district, joint vocational school district, or local taxing unit in a county in which is located a facility currently or formerly devoted to the enrichment or commercialization of uranium or uranium products, and for which the total taxable value of property listed on the general tax list of personal property for any tax year

from tax year 2001 to tax year 2004 was fifty per cent or less of the taxable value of such property listed on the general tax list of personal property for the next preceding tax year.

In computing the fixed-rate levy losses under divisions (D)(1), (2), and (3) of this section for any school district, joint vocational school district, or local taxing unit to which division (C)(5) of this section applies, the taxable value of such property as listed on the general tax list of personal property for tax year 2000 shall be substituted for the taxable value of such property as reported by taxpayers for tax year 2004, in the taxing district containing the uranium facility, if the taxable value listed for tax year 2000 is greater than the taxable value reported by taxpayers for tax year 2004. For the purpose of making the computations under divisions (D)(1), (2), and (3) of this section, the tax year 2000 valuation is to be allocated to machinery and equipment, inventory, and furniture and fixtures property in the same proportions as the tax year 2004 values. For the purpose of the calculations in division (A) of section 5751.21 of the Revised Code, the tax year 2004 taxable values shall be used.

To facilitate the calculations required under division (C) of this section, the county auditor, upon request from the tax commissioner, shall provide by August 1, 2005, the values of machinery and equipment, inventory, and furniture and fixtures for all single-county personal property taxpayers for tax year 2004.

(D) Not later than September 15, 2005, the tax commissioner shall determine for each tax year from 2006 through 2009 for each school district, joint vocational school district, and local taxing unit its machinery and equipment, inventory, and furniture and fixtures fixed-rate levy losses, and for each tax year from 2006 through 2011 its telephone property fixed-rate levy loss. Except as provided in division (F) of this section, such losses are the applicable amounts described in divisions (D)(1), (2), (3), and (4) of this section:

(1) The machinery and equipment fixed-rate levy loss is the machinery and equipment property tax value loss multiplied by the sum of the tax rates of fixed-rate qualifying levies.

(2) The inventory fixed-rate loss is the inventory property tax value loss multiplied by the sum of the tax rates of fixed-rate qualifying levies.

(3) The furniture and fixtures fixed-rate levy loss is the furniture and fixture property tax value loss multiplied by the sum of the tax rates of fixed-rate qualifying levies.

(4) The telephone property fixed-rate levy loss is the telephone property tax value loss multiplied by the sum of the tax rates of fixed-rate qualifying levies.

(E) Not later than September 15, 2005, the tax commissioner shall determine for each school district, joint vocational school district, and local taxing unit its fixed-sum levy loss. The fixed-sum levy loss is the amount obtained by subtracting the amount described in division (E)(2) of this section from the amount described in division (E)(1) of this section:

(1) The sum of the machinery and equipment property tax value loss, the inventory property tax value loss, and the furniture and fixtures property tax value loss, and, for 2008 through 2010, the telephone property tax value loss of the district or unit multiplied by the sum of the fixed-sum tax rates of qualifying levies. For 2006 through 2010, this computation shall include all qualifying levies remaining in effect for the current tax year and any school district levies charged and payable under section 5705.194 or 5705.213 of the Revised Code that are qualifying levies not remaining in effect for the current year. For 2011 through 2017 in the case of school district levies charged and payable under section 5705.194 or 5705.213 of the Revised Code and for all years after 2010 in the case of other fixed-sum levies, this computation shall include only qualifying levies remaining in effect for the current year. For purposes of this computation, a qualifying school district levy charged and payable under section 5705.194 or 5705.213 of the Revised Code remains in effect in a year after 2010 only if, for that year, the board of education levies a school district levy charged and payable under section 5705.194, 5705.199, 5705.213, or 5705.219 of the Revised Code for an annual sum at least equal to the annual sum levied by the board in tax year 2004 less the amount of the payment certified under this division for 2006.

(2) The total taxable value in tax year 2004 less the sum of the machinery and equipment, inventory, furniture and fixtures, and telephone property tax value losses in each school district, joint vocational school district, and local taxing unit multiplied by one-half of one mill per dollar.

(3) For the calculations in divisions (E)(1) and (2) of this section, the tax value losses are those that would be calculated for tax year 2009 under divisions (C)(1), (2), and (3) of this section and for tax year 2011 under division (C)(4) of this section.

(4) To facilitate the calculation under divisions (D) and (E) of this section, not later than September 1, 2005, any school district, joint vocational school district, or local taxing unit that has a qualifying levy that was approved at an election conducted during 2005 before September 1, 2005, shall certify to the tax commissioner a copy of the county auditor's certificate of estimated property tax millage for such levy as required under division (B) of section 5705.03 of the Revised Code, which is the rate that shall be used in the calculations under such divisions.

If the amount determined under division (E) of this section for any school district, joint vocational school district, or local taxing unit is greater than zero, that amount shall equal the reimbursement to be paid pursuant to division (E) of section 5751.21 or division (A)(3) of section 5751.22 of the Revised Code, and the one-half of one mill that is subtracted under division (E)(2) of this section shall be apportioned among all contributing fixed-sum levies in the proportion that each levy bears to the sum of all fixed-sum levies within each school district, joint vocational school district, or local taxing unit.

(F) If a school district levies a tax under section 5705.219 of the Revised Code, the fixed-rate levy loss for qualifying levies, to the extent repealed under that section, shall equal the sum of the following amounts in lieu of the amounts computed for such levies under division (D) of this section:

(1) The sum of the rates of qualifying levies to the extent so repealed multiplied by the sum of the machinery and equipment, inventory, and furniture and fixtures tax value losses for 2009 as determined under that division;

(2) The sum of the rates of qualifying levies to the extent so repealed multiplied by the telephone property tax value loss for 2011 as determined under that division.

The fixed-rate levy losses for qualifying levies to the extent not repealed under section 5705.219 of the Revised Code shall be as determined under division (D) of this section. The revised fixed-rate levy losses determined under this division and division (D) of this section first apply in the year following the first year the district levies the tax under section 5705.219 of the Revised Code.

(G) Not later than October 1, 2005, the tax commissioner shall certify to the department of education for every school district and joint vocational school district the machinery and equipment, inventory, furniture and fixtures, and telephone property tax value losses determined under division (C) of this section, the machinery and equipment, inventory, furniture and fixtures, and telephone fixed-rate levy losses determined under division (D) of this section, and the fixed-sum levy losses calculated under division (E) of this section. The calculations under divisions (D) and (E) of this section shall separately display the levy loss for each levy eligible for reimbursement.

(H) Not later than October 1, 2005, the tax commissioner shall certify the amount of the fixed-sum levy losses to the county auditor of each county in which a school district, joint vocational school district, or local taxing unit with a fixed-sum levy loss reimbursement has territory.

(I) Not later than the twenty-eighth day of February each year beginning in 2011 and ending in 2014, the tax commissioner shall certify to the department of education for each school district first levying a tax under section 5705.219 of the Revised Code in the preceding year the revised fixed-rate levy losses determined under divisions (D) and (F) of this section.

The director shall transfer the cash balance in the commercial activity tax motor fuel receipts fund in excess of the amount so reserved to the highway operating fund on or before June 30, 2014.

(3)(a) On or before the fifteenth day of June of each fiscal year beginning with fiscal year 2015, the director of the Ohio public works commission shall certify to the director of budget and management the amount of debt service paid from the general revenue fund in the current fiscal year on bonds issued to finance or assist in the financing of the cost of local subdivision public infrastructure capital improvement projects, as provided for in Sections 2k, 2m, 2p, 2s, and 2t of Article VIII, Ohio Constitution, that are attributable to costs for construction, reconstruction, maintenance, or repair of public highways and bridges and other statutory highway purposes. That certification shall allocate the total amount of debt service paid from the general revenue fund and attributable to those costs in the current fiscal year according to the applicable section of the Ohio Constitution under which the bonds were originally issued.

The director shall transfer the cash balance in the petroleum activity tax public highways fund or the commercial activity tax motor fuel receipts fund in excess of the amount so reserved to the highway operating fund on or before the thirtieth day of June of the current fiscal year.
