

Ohio Revised Code

Section 5901.05 Veterans service committee.

Effective: July 22, 1994

Legislation: House Bill 448 - 120th General Assembly

On the first Monday of January in each year, the veterans service commission may appoint for the county a veterans service committee, consisting of at least three persons who are residents of the county, whose duties shall be set forth by the commission. Such persons shall be veterans, one of whom shall be designated as chairperson of the county veterans service committee. The commission shall fill all vacancies that occur in any such committee, and may remove any member of a committee for cause.
