

## Ohio Revised Code

### Section 5907.04 Admission to veterans' home.

Effective: [March 20, 2025](#)

Legislation: [Senate Bill 154](#)

---

As used in this section, "armed forces of the United States" has the same meaning as in section 5907.01 of the Revised Code.

Subject to the following paragraph, all veterans, who served during a period of conflict as determined by the United States department of veterans affairs or any person who is awarded either the armed forces expeditionary medal established by presidential executive order 10977 dated December 4, 1961, or the Vietnam service medal established by presidential executive order 11231 dated July 8, 1965, who have been honorably discharged or separated under honorable conditions therefrom, or any discharged members of the Polish and Czechoslovakian armed forces who served in armed conflict with an enemy of the United States in World War II who have been citizens of the United States for at least ten years, provided that the above-mentioned persons have been citizens of this state for one year or more at the date of making application for admission, are disabled by disease, wounds, or otherwise, and are by reason of such disability incapable of earning their living, and all members of the Ohio national guard or naval militia who have lost an arm or leg, or their sight, or become permanently disabled from any cause, while in the line and discharge of duty, and are not able to support themselves, may be admitted to a veterans' home under such rules as the director of veterans services adopts.

A veteran who served in the armed forces of the United States is eligible for admission to a veterans' home under the preceding paragraph only if the person has the characteristics defined in division (B)(1) of section 5901.01 of the Revised Code.

Veterans' homes may reserve a bed during the temporary absence of a resident or patient from the home, including a nursing home within it, under conditions prescribed by the director, to include hospitalization for an acute condition, visits with relatives and friends, and participation in therapeutic programs outside the home. A home shall not reserve a bed for more than thirty days, except that absences for more than thirty days due to hospitalization may be authorized.
