

Ohio Revised Code

Section 6111.049 Tonnage fees for injection of waste - exceptions.

Effective: May 28, 1992

Legislation: House Bill 147 - 119th General Assembly

Section 6111.047 and rules adopted under division (B)(5) of section 6111.043 of the Revised Code do not apply to any nonhazardous class I injection well that disposes of naturally occurring formation fluids extracted during salt mining processes into an injection zone consisting of the Oriskany sandstone at depths of not more than one thousand five hundred feet.
