

Ohio Revised Code

Section 718.85 Filing of annual return; remittance; disposition of funds.

Effective: September 30, 2025

Legislation: House Bill 96

(A)(1) For each taxable year, every taxpayer shall file an annual return. Such return, along with the amount of tax shown to be due on the return less the amount paid for the taxable year under section 718.88 of the Revised Code, shall be submitted to the tax commissioner, on a form and in the manner prescribed by the commissioner, on or before the fifteenth day of the fourth month following the end of the taxpayer's taxable year unless a taxpayer's unextended federal income tax return is due after that date, in which case the annual return shall be submitted on or before the taxpayer's federal income tax return due date.

(2) The remittance shall be made payable to the treasurer of state and in the form prescribed by the tax commissioner. If the amount payable with the tax return is ten dollars or less, no remittance is required.

(B) The tax commissioner shall immediately forward to the treasurer of state all amounts the commissioner receives pursuant to sections 718.80 to 718.95 of the Revised Code. The treasurer shall credit such amounts to the municipal net profit tax fund which is hereby created in the state treasury.

(C)(1) Each return required to be filed under this section shall contain the signature of the taxpayer or the taxpayer's duly authorized agent and of the person who prepared the return for the taxpayer, and shall include the taxpayer's identification number. Each return shall be verified by a declaration under penalty of perjury.

(2)(a) The tax commissioner may require a taxpayer to include, with each annual tax return, amended return, or request for refund filed with the commissioner under sections 718.80 to 718.95 of the Revised Code, copies of any relevant documents or other information.

(b) A taxpayer that files an annual tax return electronically through the Ohio business gateway or in another manner as prescribed by the tax commissioner shall either submit the documents required

under this division electronically as prescribed at the time of filing or, if electronic submission is not available, mail the documents to the tax commissioner. The department of taxation shall publish a method of electronically submitting the documents required under this division on or before January 1, 2019.

(3) After a taxpayer files a tax return, the tax commissioner may request, and the taxpayer shall provide, any information, statements, or documents required to determine and verify the taxpayer's municipal income tax.

(D)(1)(a) Any taxpayer that has duly requested an automatic extension for filing the taxpayer's federal income tax return shall automatically receive an extension for the filing of a tax return with the commissioner under this section. The extended due date of the return shall be the fifteenth day of the eleventh month after the last day of the taxable year to which the return relates.

(b) A taxpayer that has not requested or received a six-month extension for filing the taxpayer's federal income tax return may request that the commissioner grant the taxpayer a seven-month extension of the date for filing the taxpayer's tax return. If the commissioner receives the request on or before the date the tax return is due, the commissioner shall grant the taxpayer's extension request.

(c) An extension of time to file under division (D)(1) of this section is not an extension of the time to pay any tax due unless the tax commissioner grants an extension of that date.

(2) If the commissioner considers it necessary in order to ensure payment of a tax imposed in accordance with section 718.04 of the Revised Code, the commissioner may require taxpayers to file returns and make payments otherwise than as provided in this section, including taxpayers not otherwise required to file annual returns.

(3) If a taxpayer receives an extension for the filing of a tax return under division (D)(1) or (2) of this section, the commissioner shall not make any inquiry or send any notice to the taxpayer with regard to the return on or before the date the taxpayer files the return or on or before the extended due date to file the return, whichever occurs first.

Division (D)(3) of this section does not apply to an extension received under division (D)(1) of this section if the commissioner has actual knowledge that the taxpayer failed to file for a federal extension as required to receive the extension under division (D)(1)(a) of this section or failed to file for an extension under division (D)(1)(b) of this section.

(E) Each return required to be filed in accordance with this section shall include a box that the taxpayer may check to authorize another person, including a tax return preparer who prepared the return, to communicate with the tax commissioner about matters pertaining to the return. The return or instructions accompanying the return shall indicate that by checking the box the taxpayer authorizes the commissioner to contact the preparer or other person concerning questions that arise during the examination or other review of the return and authorizes the preparer or other person only to provide the commissioner with information that is missing from the return, to contact the commissioner for information about the examination or other review of the return or the status of the taxpayer's refund or payments, and to respond to notices about mathematical errors, offsets, or return preparation that the taxpayer has received from the commissioner and has shown to the preparer or other person.

(F) When income tax returns or other documents require the signature of a tax return preparer, the tax commissioner shall accept a facsimile or electronic version of such a signature in lieu of a manual signature.
