

Ohio Revised Code

Section 731.50 Notice when new bond required.

Effective: October 1, 1953

Legislation: House Bill 1 - 100th General Assembly

When the legislative authority of a municipal corporation declares by resolution that an officer shall give a new bond, written notice shall be served by its clerk upon the officer designated, and a copy of the notice, with a statement of the time and place of service, shall be recorded in the proceedings of the legislative authority.

If the officer fails to give such new bond, with sureties, to the satisfaction of the mayor, within ten days after such service, the legislative authority shall declare the office vacant, and the vacancy shall be filled in the manner provided in Title VII of the Revised Code.

When the new bond is accepted or the legislative authority declares the office vacant, the sureties in the original bond shall cease to be liable for the acts of such officer done thereafter, but shall continue to be liable for his acts then already done.
