

Ohio Revised Code

Section 918.03 Adulterated or unwholesome conditions.

Effective: July 27, 1971

Legislation: House Bill 559 - 109th General Assembly

(A) If any animal, carcass, or meat product is found to be in an adulterated condition or is affected by an unwholesome condition, that can be satisfactorily removed by methods approved by the director of agriculture, the same may be so reconditioned under the direction of any inspector.

(B) If an animal, carcass, or meat product found in an adulterated or unwholesome condition cannot be reconditioned as provided in division (A) of this section, such adulterated or unwholesome animal, carcass, or meat product shall be disposed of in a manner prescribed by the director.
