

## Ohio Revised Code

### Section 925.52 Marking of fresh fruit and vegetable containers.

Effective: October 8, 1965

Legislation: House Bill 712 - 106th General Assembly

---

Each person who prepackages fresh fruits or vegetables in containers in the same retail store, market, or business establishment where said commodities are being exposed or offered for retail sale shall cause such containers to be marked in plain and legible manner as follows:

- (A) With the full name and address of the retail store, market, or business establishment packaging and offering same for sale or the main office of said establishment;
  - (B) With the net content by weight if the content is preweighed to arrive at the total price;
  - (C) With the numerical count if the contents are offered for sale by numerical count, except that no count marking shall be required when the package contains six or less units.
