

Ohio Revised Code

Section 927.681 Prohibitions regarding multiflora rose plants or seed.

Effective: April 24, 1986

Legislation: House Bill 522 - 116th General Assembly

No person and no political subdivision, agency, department, or instrumentality of the state shall, without a permit issued by the director of agriculture, sell, offer for sale, or plant any variety of multiflora rose plants or seed in this state, except that a licensed nurseryman may plant the multiflora rose for use as a root stock in growing roses other than the multiflora rose in his nursery. The director may issue permits to plant the multiflora rose for use in controlled experiments.
