

Ohio Revised Code

Section 941.03 Administrative rules.

Effective: June 20, 1994

Legislation: Senate Bill 134 - 120th General Assembly

(A) The director of agriculture, under Chapter 119. of the Revised Code, may adopt and enforce rules to carry out this chapter, including designating a disease or vector as a dangerously contagious or infectious disease.

(B) No person shall fail to comply with the rules adopted by the director under division (A) of this section.
