

## Ohio Revised Code

### Section 941.27 Disinfection of premises or means of conveyance.

Effective: December 14, 1967

Legislation: House Bill 842 - 107th General Assembly

---

The premises or means of conveyance, from which a positive has been removed, shall be thoroughly cleaned and disinfected by the owner of such premises or means of conveyance with a disinfectant approved by the department of agriculture, in accordance with regulations which the department may adopt.
