

Ohio Revised Code

Section 955.60

Effective: [March 20, 2026](#)

Legislation: [House Bill 247](#)

(A) Any person authorized to enforce this chapter shall investigate any complaint that indicates a possible violation of any provision of this chapter involving a dog.

(B) If, after investigating an alleged violation of this chapter under division (A) of this section, an authorized person does not cite a person for or charge a person with a violation, the authorized person shall notify, in accordance with division (C) of this section, the owner, keeper, or harbinger of the dog that there has been a complaint regarding the dog and that the authorized person investigated a possible violation. The notice shall specify both of the following:

- (1) A citation to the applicable provision or provisions of law at issue;
- (2) Contact information for the authorized person.

(C) The authorized person shall post the notice on the door of the dwelling at which the dog resides within twenty-four hours after the authorized person concludes the investigation.
